

# CITIZENS ON WATCH

Volume 1, Issue 19

February 2014

## Organized Retail Theft

A subject was arrested for multiple shoplifting charges and cases at the Super Target store located at Yuma Rd and Cotton Ln. The subject was observed shoplifting while in the Super Target store and upon being detained, arrested and further questioned, it was determined the subject was wanted for two other outstanding shoplifting cases at this Super Target store and the Fry's Market Place. Upon even further investigation, it was determined the subject was wanted by Phoenix PD for multiple shoplifting cases in their city as well. The suspect was booked by GYPD on multiple charges.

## Gas Line Break

In a new home construction area of approximately 2400 N. 156<sup>th</sup> Dr, a gas line was broken during the construction of a new home. GYPD assisted GYFD with evacuation of the surrounding homes. SW Gas was notified and able to stop the leak.

## Stolen Vehicle

A Goodyear officer observed a Grey GMC Denali driving in the area of Van Buren and Manzanita and began following the vehicle. The vehicle turned into the neighborhood just north. When the vehicle stopped several subjects exited the vehicle and began running southbound.

GYPD established a perimeter and one of the Goodyear K9 officer's and his partner began a track for the outstanding subjects. Two juvenile subjects were located and arrested. There were no other subjects located. The vehicle had been stolen out of Phoenix and was later towed.

## Residential Burglaries

On the dates of February 6<sup>th</sup> and 7<sup>th</sup>, during the late night hours, multiple homes were burglarized. These homes were all within two blocks of each other. At two of the residences, the suspects had gained entry into garages using garage door openers obtained from breaking into the victims' vehicle. One of the victims was outside his residence when he observed a vehicle driving slowly at the end of his street. The vehicle is described as a 2010 Toyota Prius (AZ / AGN-3666) and had been reported stolen out of Phoenix, AZ on 02-04-2013. The area was searched by GYPD with negative results.

## SPORTING EVENT SAFETY TIPS

Although teams and venues have a responsibility to provide a safe environment for their fans, we as fans, also have a responsibility to ensure our own safety. Always remember to follow venue rules and regulations and be a responsible fan.

It is important to be as prepared as possible when attending a sporting event. Along with your favorite team gear, banners, or whatever else you bring to cheer on your team, it is a great idea to have a good plan to ensure you have a safe game day experience. With that in mind we have compiled a few tips that might help.

### Prior to Leaving Home:

- Be sure your cell phone is fully charged.
- Dress appropriately for the event you are attending.(i.e. footwear) If there is an emergency, you may need to leave the venue quickly.
- Make a plan with friends and family attending the event with you ,in case of separation, especially if attending the event with children.
- Prior to attending a game, visit our Game Day Hotline page to find the Text Code or Hotline for the venue you are attending and program it into your phone. If there is no Text Code listed, please contact security at the venue to see if they have a plan in place to contact security in case of emergencies.

### Parking:

- Sometimes spending a little extra money to park is your best bet. Most venues have police or security patrolling the parking lots before and after games which decreases the likelihood of an unsafe situation.
- Write down the section where you parked to easily return to your car after an event.
- Whether parking in a venue parking lot or outside the venue, always park in well lit areas.
- If you are parking outside the venue, be sure to park in a populated area.

### Before the game:

- If you are tailgating prior to an event, be sure to always “Buddy Up”. Do not wander the venue alone .
- Drink Responsibly!
- If you feel you are in a situation which may become dangerous, walk away and text security immediately.
- Use your cell phone for good not evil. If you see someone in trouble, text security.

### During the game:

- Always be aware of your surroundings.
- Make note of exits
- When arriving to your section, look to see where the nearest security guards are located
- When going to the restrooms, concession stands or walking around the venue, always “Buddy Up”
- If there is a fan in your area that is being disruptive or threatening, do not engage with them. Contact security and they will be removed from the venue.
- Be respectful of other fans, regardless of who they are cheering for.

### After the game:

- Be respectful of other fans, when leaving the venue.
- When walking back to your car, Always “Buddy Up”
- If you are walking back to your car alone, do not hesitate to ask a security guard or police officer to accompany you.
- If you, or someone driving you, have been drinking, ask a security guard to call you a cab or help you figure out a safe way home.

Most of all, HAVE FUN! Remember it is just a game, and it is never worth putting yourself or someone else at risk!
